SCHOLARSHIP GUIDELINE

1. The number of scholarships offered will be 3 in number for each grade specified
2. The scholarship is valid for Maldivian residents only.
3. For applicants applying for the scholarship the income of both the Parent/guardians from all sources should not be more than **2.4 Lacs** MVR per annum if they do not own a house in Male' and not more than **1.8 Lacs** MVR per annum if they own a house in Male'
4. The applicants should not have any gap in education
5. The applicants should have maintained a good conduct as certified by the Principal of the school
6. The applicants for scholarship from grades I, II , III , IV and V should qualify the Minimum Learning Competency Test.
7. The applicants for scholarship from grades VIII, IX and X should have obtained a minimum of 85% in the final results of the class preceding the class for which scholarship has been applied. If the no. of applicants meeting the required percentage criterion is less than the available no of scholarships the student with the two / three* percentages subject to a minimum of 65% will be considered.
8. If the number of applications meeting the eligibility criteria is more than the number of scholarships being offered the following procedure shall be adopted based on grade for which scholarship is being applied:
 - a. For Grades I, II , III , IV and V, a draw of lots shall be held in the presence of the parents applying for the scholarship, School /deputy Principal and the Senior most member of the Parent Executive Committee
 - b. For grades VIII , IX and X, the students will have to appear for a written test and score more than 85%. If the no of students clearing the test is less than the no of scholarships available, the highest two / three* scores shall be considered
9. One out of three scholarships can be granted to the students with the special talents like representing national team in sports or outstanding talent acknowledged by the public (under special quota). The applicants for scholarship under special quota should have obtained a minimum of 65% in the final results of the class preceding the class for which scholarship has

been applied. However, if no applicant qualifies this criterion, all three scholarship would be granted based on Rule 6 / 7 whichever is applicable as per the grade. The students applying for scholarship under this quota shall be required to produce the proof of representation in national sports or the concerned outstanding talent acknowledged by public. For scholarships under special quota, if the no. of applicants meeting the eligibility criterion are more than the no of scholarships the selection shall be done based on the class wise criterion (for grades I, II , III , IV and V - based on draw of lots and for grades VIII , IX and X – based on written test score).

10. The written test will be conducted in the subjects of Arithmetic, English, Islam and Dhivehi.
11. The policy shall be applicable from the beginning of the grade which the student is applying to and covering the entire school education period, provided the eligibility conditions are met with in each successive year. The Scholarship for students studying VIII , IX and X will be renewed every year if the concerned students score 65% or more in results obtained in the final exams and their parental income is less than or equal to the threshold limit as defined under rule 3. For students studying in grade I, II , III , IV and V the scholarship shall be renewed based on the criterion of parental income continuing to be less than or equal to the threshold limit as per Rule 3. For student(s) who fail to fulfill the mentioned criteria, scholarship(s) would be withdrawn and fresh application for the vacant seat would be invited.
12. The Scholarship would cover the tuition and one time admission fees charged by Ghiyasuddin International School.
13. The scholarship can be discontinued under of the following reasons:
 - a) If it is found at any stage that the information furnished by the parents is untrue
 - b) The student is already availing any other form of scholarship or financial assistance for the purposes of their studies
 - c) There is a gap year in the course of the academic career of the student
 - d) The student is involved in any full time employment.

* The number of highest scores considered shall be 2 if there are applicants under special quota and 3 if there are no applicants under special quota.

Note

1. The eligible applicants, if the number is more than three will be invited for draw of lots (applicable for grades I, II , III , IV and V) and the draw of lots will be held as specified in the mode of selection. For grades VIII , IX and X the eligible candidates will be invited for a written test at GIS.
2. The Admission test would be prepared and conducted at GIS
3. The names of the selected students will be announced on the school website, at the school information board and through post.
